

• Music and Memory

Music & Memory: Chandra Reynolds is a MSW intern at Fayetteville State University, and will provide a general but in depth overview of the Music and Memory program. Chandra will provide the history/development of Music & Memory, a clinical based approach supporting Music & Memory, and overall impact that Music Therapy has on people living with dementia.

Application of Music and Memory: North Carolina State Veterans Nursing Home is one of the few nursing homes within Region M that is certified in Music & Memory. The facility will provide statistical data regarding the impact of Music & Memory in their facility, a professional opinion based regarding the impact of Music and Memory in their facility, and a road map for other facilities interested in becoming certified in Music & Memory.
