

The Mid Carolina Council of Governments Rural Planning Organization is seeking public input on the prioritization of transportation projects in Bladen, Sampson, rural Cumberland and rural Harnett Counties. We will host several public input drop-in meetings throughout the region where maps and project information will be on display. You will also have an opportunity to talk with our planners about the projects. The draft local input points and projects may be seen on our website, <http://mccog.org/>. Please submit all comments to Mike Rutan, RPO Director, at [mrutan@mccog.org](mailto:mrutan@mccog.org) or via any of the contact methods listed on our website. Public input will be received until July 23<sup>rd</sup> 2018.
