CHORE AND CHORE-ENHANCED SERVICES FOR OLDER ADULTS

Mid-Carolina Regional Council (MCRC) Area Agency on Aging has received grant funding through the American Rescue Plan Act (ARPA) and has decided to offer Chore and Chore-Enhanced Services to older adults in Cumberland, Harnett, and Sampson counties. These services are intended to provide assistance to older adults in their homes to help provide a safe and healthy environment for them to be able to age in place. Older adults eligible for Chore and Chore-Enhanced Services must be 60 years of age or older, live at home, have the need for assistance, be unable to perform the tasks themselves, and have no one else able to assist them. Potential clients will be screened to ensure eligibility for the program.

The AAA will contract with vendors in each county of the service area to provide the following services:

- House Cleaning
- Deep Cleaning
- Landscaping
- Pest Control
