Senior Community Service Employment Program Requirements

- Participants must be at least 55
- Unemployed
- Family income of no more than 125% of the federal poverty level

Enrollment priority is given to veterans and qualified spouses of veterans, then to individuals who are over 65, have a disability, have low literacy skills or limited English proficiency, reside in a rural area, are homeless or at risk of homelessness, have low employment prospects, or have failed to find employment after using services through the American Job Center system.

The Center for Workforce Inclusion's Senior Community Service Employment Program (SCSEP) is funded by a grant from the U.S. Department of Labor Employment and Training Administration. SCSEP is an equal opportunity program. Auxiliary aides and services are available upon request to individuals with disabilities.
