---

**Description:**

Mid-Carolina Regional Council is a voluntary coalition of local governments and functions as a multi-county Planning, Development, and Human Resources organization. Mid-Carolina serves local governments throughout Harnett, Sampson, and Cumberland Counties. To assist with Planning needs across three counties, Mid-Carolina is looking for a motivated and passionate professional to serve as the Planner II /Project Planner in the Planning Department within our Local Government Services division.

This position will work closely with the Planning team and will be supervised by the Planning Director. The position will be responsible for complex assignments related to planning and zoning programs. Specific duties are outlined below that represent most of the time spent working in this position.

**Essential Duties and Tasks:**

- Perform detailed plan review for development projects, including rezonings, subdivision plans, site plans, special use permits, variances, and related land development applications.
- Assist applicants, member governments, and members of the public through permitting processes and respond to questions related to zoning and subdivision regulations.
- Develop, interpret, amend, and assist in the enforcement of ordinances related to zoning, land use, and development.
- Prepare and present staff reports, technical analyses, and recommendations to Planning Boards, Boards of Adjustments, Town Councils, Boards of Commissioners, and other special committees on behalf of member governments and the Mid-Carolina Regional Council
- Respond to public inquiries regarding zoning regulations, land use policies, development review procedures, and adopted ordinances.
- Participate in and assist in the development, implementation, and management of short-range and long-range planning initiatives.
- Attend public meetings and public hearings to support planning staff and member governments as necessary.
- Provide GIS support and mapping services to staff and member governments.
- Identify, manage, and assist member governments with state and federal grant opportunities, including grant research, application preparation, coordination, compliance, reporting and ongoing grant administration.
- Performs other job-related duties of a similar nature and level as assigned.

**Minimum Qualifications:**

The Planner II position is a career ladder position. Below are the qualifications for the Planner II / Project Planner title:

**Education and Experience:**

The Planner II / Project Planner position requires a bachelor's degree from an accredited college or university with a degree in Urban & Regional Planning, Geography, Public Administration, or similar field. Alternatively, an equivalent combination of education and experience sufficient to successfully perform the essential duties of the position will be considered. This position requires experience in development review, land use regulation, and the interpretation/enforcement of zoning and subdivision ordinances.

The Planner II / Project Planner position requires a minimum of 3 years professional planning experience, AICP or CZO certifications are preferred, or the ability to obtain these certifications within 1-2 years of hire. This position requires general supervision by the Planning Director, but has the ability to perform complex tasks more independently than expected of a Planner I.

**Licensing/Certifications:**

AICP and CZO certifications are preferred for the Planner II position, or the ability to obtain certifications within 1-2 years of hire.

**Knowledge of:**

- North Carolina Planning legislation
- Principles and practices of planning administration, development review, permitting processes, and project management.

**Skill in:**
