

Policy Letter #14

TO: All Mid-Carolina Service Providers

FROM: Workforce Development Board
Staff

SUBJECT: Youth Incentive Policy

PURPOSE

This policy provides guidance regarding the operation of the Mid-Carolina Board's (MCWDB) Workforce Innovation and Opportunity Act (WIOA) Youth program. Supportive services are a critical dimension of youth development. Incorporating youth service elements by providing eligible youth seeking assistance in achieving academic and employment with supportive services will help them in achieving their goals. Program services will be administered by Career Advisors, mentors, and job coaches who will guide the youth participants through the challenges of entering and succeeding in the workforce.

BACKGROUND

WIOA was signed into law on July 22, 2014, and effective as of July 1, 2015. WIOA Law section 129 introduced and reauthorized the required elements of the WIOA Youth Program.

WIOA introduced key changes to the WIOA Youth Program, including new eligibility criteria for In-School (ISY) and Out-of-School (OSY) youth, a 75% Out-of-School Youth expenditure requirement, a minimum of 20% Work Experience expenditure requirement, and new program elements. Mid-Carolina places a priority on serving out of school youth, providing work based learning experience, promoting local area career pathways, and increased attainment of recognized credentials and post-secondary certificates or degrees. Youth Program Service Providers are responsible for developing a youth program plan that meets the requirements as described in the Request for Proposal (RFP) and subsequent contracts. The youth program must include the required youth program elements as described under WIOA Law, Department of Labor (DOL) and the North Carolina Division of Workforce Solutions (DWS) guidance. A program design framework consists of an objective assessment, an individual service strategy, case management, and follow-up services that lead toward successful outcomes for youth participants.

Stipends for Out-of-School Youth

To offset the growing cost of living expenses for students who are enrolled in vocational skills-related training or GED classes, active participants can be provided with a stipend for the following criteria and expenses:

\$10.00 per day	travel	\$50.00 per week
+ \$7.00 per day	meals/snacks	\$35.00 per week
\$17.00 per day	x 5 days x 4 weeks	\$340.00 monthly (340/2 = \$170.00 Bi-weekly)

The stipend payments will be processed biweekly and will be provided only to the participants who meet the following requirements:

Attendance

Each student enrolled in the program under the GED component or designated pilot project will be required to attend class as applicable to the course requirements. A bi-weekly timesheet will be required for verification.

Progression

- Each student must show progress during the term of the course. Graded homework, assignments, tests, and contact hours for hands-on learning must be documented. Documentation must be completed and signed by the instructor or training official. Documentation must be submitted to the Career for validity of progression.
- Participants who fail to adhere to the rules and regulations of the training facility will be removed from the class immediately.

Mid-Carolina Youth Program Incentives

Incentive payments are provided to WIOA enrolled participants for recognition and achievement of a specific educational or employment performance. Incentive payments must be tied to the goal of the participant's individual program. All incentives must apply to a measurable and an achievement related to a goal such as the completion of training, obtaining employment, occupational skills. WIOA Youth Career Advisors must verify that the participant is eligible for an incentive, document the achievement in case notes, and update the participant's ISS. The ISS must specify the performance goal, timelines, and description of the incentive to be provided. Incentives must be awarded consistently for all WIOA participants. Youth Career Advisors must record, manage and monitor incentive payments.

Incentives are based on funding availability and must be earned and paid during the period of Youth participation (after program enrollment and prior to program exit).
